VOIT REGULATORS

(R) V101 DOLPHIN® REGULATOR The biggest breakthrough in regulator design in years. Offers trouble-free simplicity of moving parts, many permanently lubricated against friction and deterioration. Pressure ports are concealed to prevent forward movement or surge from affecting air flow. Balanced first stage and lever action second stage provides demand and flow characteristics far exceeding the most strenuous need. Recessed rubber exhaust ports, chin rest, and neck strap all combined into streamlined single unit. All stainless steel, rust proof internal parts, enclosed in snag free chrome over brass case. The smooth lines rival those of its namesake. Serial numbered for your protection. (Pack 1, 4 lbs.).....\$75.00 ea.

(R) V111 VOIT TITAN REGULATOR Two-stage design for easy breathing at all depths. Dependable first stage supplies constant pressure, lever action second stage. All external parts chromed over brass; rust free construction throughout. Handy purge button with canted exhausts direct air away from face. Pearl grey neoprene mouthpiece, chin rest and neck band. (Pack 1, 4 lbs.)
\$55.00 ea.

V121 AVALON® REGULATOR Piston first-stage with only one moving part, protected by a back-up ring that seals out fouling sediment. Simplified tilt-valve second stage. Exhaust ports are recessed and combined with the chin rest and neck strap into a single streamlined unit. Internal parts are of rust proof stainless steel. Aerodynamic designed snag-free case is of chrome plated brass to last a lifetime. Serial numbered for your protection. (Pack 1, 4 lbs.).....\$37.50 ea.

- VSP10 VOIT STANDARD SINGLE SNUGPACK Same construction as the deluxe except for a stainless steel single "T" bolt lock and release mechanism. Bands do not detach. Carrying handle not included. (Pack 1, 3 lbs.).....\$11.95 ea.

- (R) VTSP VOIT TWIN SNUGPACK Same construction as the deluxe, however bands are semipermanently attached to the tanks for safety. A single bolt with large vinyl knob allows Snugpack to be attached or removed in an instant. (Pack 1, 4 lbs.).....\$24.95 ea.

- (R) DS261 Complete twin plate and harness assembly. (Pack 1, 3 lbs.).....\$14.00 ea.

- (R) DS224 Complete twin band assembly. (Pack 1, 1 lb.).....\$12.00 ea.

- DS225 Carrying Handle. (Pack 1, 1/2 lb.).....\$3.00 ea.

VOIT VALVES & GAUGES

(R) VJ Exclusive Viking low profile design makes regulator positioning easier, faster and surer. Non-slip knob is designed for adequate knuckle clearance. Exclusive 300 psi reserve with positive pull-out reserve in front of diver for fast, snag-free release. Vinyl strap attaches cable to waist belt. Chrome plated over solid brass forgings. Rust proof throughout entire mechanism. Patented *safety tube has sintered bronze filter at the tip to eliminate clogging. (Pack 1, 1½ lbs.).....**\$35.00 ea.**

(R) VK All the quality features of the VJ valve except no reserve mechanism. (Pack 1, 1 lb.).....**\$11.50 ea.**

(R) VTJ Connects two tanks for twin operation. Center VJ valve placement equalizes 500 psi reserve in both tanks. Exclusive eccentric action manifold allows ¾" adjustment between tanks and permits perfect positioning regardless of tank size. Adapts to any ½" valve. (Pack 1, 4 lbs.).....**\$55.00 ea.**

(R) VTK Same quality features as the VTJ valve except no reserve mechanism. (Pack 1, 4 lbs.).....**\$29.50 ea.**

DS105 FILLER & GAUGE ASSEMBLY For simultaneous filling and/or pressure reading of tank. Connects to any standard air supply fitting. Bleeder valve for easy disconnection. Shut-off valve allows use of gauge to measure both air pressure of source tank or lung tank before and after diving. (Pack 1, 1 lb.).....**\$14.95 ea.**

DS107 TANK PRESSURE GAUGE Gives positive check of air supply in tank before and after diving. Shock-proof protective rubber case. Bleeder valve for easy disconnection. (Pack 1, 1 lb.).....**\$9.95 ea.**

DS131 UNDERWATER PRESSURE GAUGE Registers tank pressure during dive. Advanced design with Hytron hose tested to 12,000 psi. Gauge set at right angle for easy reading. Waterproof case, shatterproof lens durable vinyl connecting strap. CR adapter included. (CR valve shown for connection location only, not included.) (Pack 1, 1 lb.).....**\$19.95 ea.**

DS95 CONSTANT RESERVE VALVE Single tank valve with constant reserve pre-set at 300 psi. (Pack 1, 1½ lbs.).....**\$30.00 ea.**

DS96 TWIN CONSTANT RESERVE VALVE ASSEMBLY Connects two tanks for twin operation. Constant reserve pre-set at 500 psi. (Pack 1, 4 lbs.).....**\$47.00 ea.**

DS98 SOLID YOKE BAR Connects two no reserve valves to form a single twin tank block. Use tanks separately or combined. (Pack 1, 1½ lbs.).....**\$14.95 ea.**

DS99 VOIT VALVE Standard, moderate depth no reserve valve. (Pack 1, 1 lb.).....**\$8.50 ea.**

85-765 ADAPTOR Permits underwater pressure gauge to be used with the Dolphin regulator. (Pack 1, ½ lb.) ..**\$1.00 ea.**

DG4-C VOIT DELUXE COMBINATION COMPASS & DEPTH GAUGE A precision instrument for the expert. Accurate liquid compass and luminous depth dial calibrated to 140 feet. Brass case is protected by shock resistant, waterproof rubber housing and shatterproof lens. Long plastic strap. (Pack 1, ¾ lb.).....**\$15.95 ea.**

DG33 VOIT PROFESSIONAL DEPTH GAUGE Professional model for precise reading. Extremely accurate. Large, luminous easy reading dial scaled to 140 feet. Shock resistant, waterproof rubber case. Shatterproof lens and long plastic strap. (Pack 1, ¾ lb.).....**\$10.95 ea.**

VOIT DIVING FINS

(R) 2F75 GIANT UDT DUCK FEET The original Giant UDT model DUCK FEET, supreme for power, speed and thrust, used by U.S. Navy Underwater Demolition Teams and other experts throughout the world. Unrivaled among all swim fins. The tapered ribs "channel off" water resistance; and DUCK FEET design, symmetrical at all planes, assures complete smoothness in forward movement. Big and powerful...ruggedly constructed of pure gum rubber to last a "lifetime"...perfect comfort with strong 400% stretch heel straps, the Giant DUCK FEET have no equal for diving or spearfishing. They float!...

(R) 2F75 Black (Pack 6, 40 lbs.).....\$14.95 pr.

(R) 1F75 Gum (Pack 6, 40 lbs.).....\$14.95 pr.

SIZES: Medium-Large, shoe sizes 8-9½; Large, shoe sizes 9½-11; Extra large, shoe sizes 11-12½; Super extra large, shoe sizes 12½-14.

(R) 2F70 FULL FOOT DUCK FEET Full foot comfort and protection is here added to the incomparable power and quality found only in DUCK FEET. In the water or out, your feet are protected against rocks, coral, debris and marine life. The snug cushion-soft foot pockets add comfort and support to these sturdy, long lasting fins. Purest gum rubber...They float! With giant blades, the most powerful full foot fins ever developed. (Pack 6, 35 lbs.)

\$13.95 pr.

SIZES: Small, shoe sizes 4-6; Medium, shoe sizes 6-8; Medium-Large, shoe sizes 8-10; Large, shoe sizes 10-12; Extra large, shoe sizes 11-13; Super extra large, shoe sizes 12-14.

3F45 CUSTOM DUCK FEET Comfort is the keynote, with a new kind of action especially suited to surfing and free diving...embodied in a new design patterned after fins originally used by surfers and spearfishermen in the Hawaiian Islands. Custom DUCK FEET fins provide maximum power and thrust, yet with a matchless measure of comfort that means hours of effortless diving.

The Custom fin is molded by a special process using a rigid rubber in the outside ribs which give added thrust and power, and a soft, pliable rubber in the foot pocket for comfort and fit. They float! (Pack 6, 25 lbs.)

SIZES: extra small, small, medium, large, extra large\$10.95 pr.

Voit engineering and manufacturing leadership has combined to create two-tone fins. This indicates two special compounds—each formulated to do a specific job. The light blue blade area is stiff and heavy to give a powerful water-channeling thrust. The dark blue foot pocket is soft and pliable for complete comfort with enough body for protection and support to the heel and arch.

(R) A66 VOIT VIKING® GIANT FINS The biggest and the best giant size professional fins with exclusive Viking design. Extra wide blade and stiff ribs supply the extra powerful thrust needed for prolonged diving. Special, soft molded foot pocket always stays comfortable. Two-tone royal blue fins fit either foot—and they float.

(R) A66B Shoe sizes: Medium large 7-9, Large 9-11, Extra Large 12-up. (Pack 6, 40 lbs.).....\$13.95 pr.

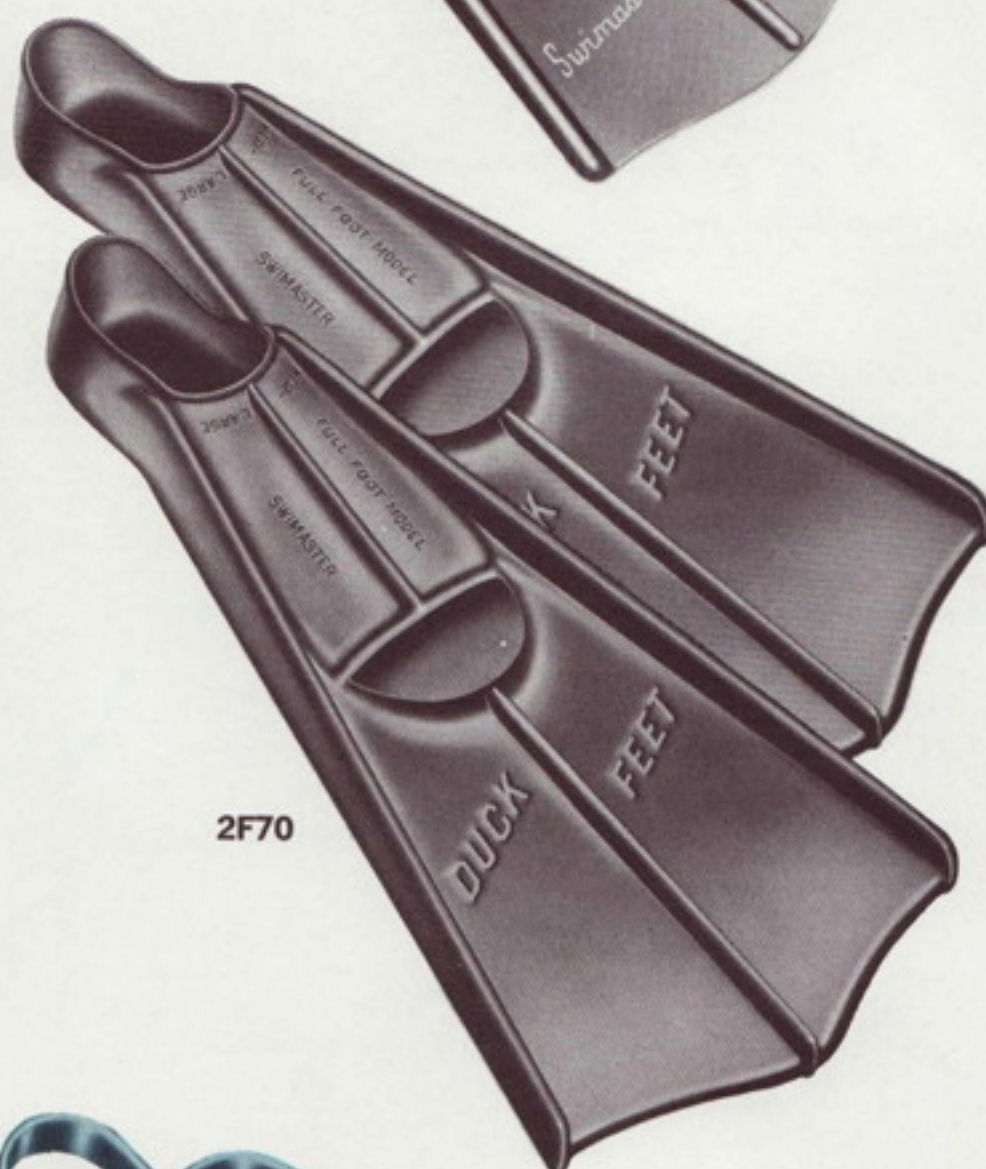

A66BK Same as above except in black. (Pack 6, 40 lbs.) \$13.95 pr.

A6B VOIT VIKING® FINS Choice of the experts. Symmetrical, Viking-curved blade has raised ribs to channel the water and increase thrust. Soft, comfortable foot pocket. Two-tone royal blue fins fit either foot—and they float. (Pack 6, 27 lbs.).....\$10.95 pr. Shoe sizes: Medium 7-9, Medium Large 9-11, Large 11-13.

(R) A11 VOIT SKIN DIVER FINS Two-plane blade design gives a full power thrust and reduces leg fatigue. Stiff ribs channel the water. Full foot pocket with open toe has optional cut out heel strap. Two-tone royal blue fins fit either foot—and they float. (Pk. 6, 27 lbs.) \$10.95 pr. Shoe sizes: Small 5-7, Medium 7-9, Medium Large 9-11, Large 11-13.
